VOLUME CVI.--NO. 217.

ALEXANDRIA, VA., WEDNESDAY EVENING, SEPTEMBER 13, 1905.

PRICE 2 CENTS.

\$1000 REWARD

Is offered as a guarantee that neither Dr. Pierce's Favorite Prescription nor

Dr. Pierce's Golden Medical Discovery

contains alcohol, opium, or any harmful drug. Any one publishing false statements concerning their ingredients will be prosecuted. Doctor Pierce's Family Remedies are compounds of medicinal principles, scientifically extracted from native roots that cure the diseases for which they are recommended. They are medicines which have enjoyed the public confidence for over a third of a century. They are medicines, not beverages, made to satisfy a craving for "boozes."

"Golden Medical Discovery" regulates and invigorates stomach, liver and bowels, and cures dyspepsia, purifies the blood and tones up the system generally. "Favorite Prescription" cures female weakness, irregularities, exhausting drains, painful periods, and kindred ailments peculiar to women. Accept no substitute for these medicines, each of which has a record of marvelous cures. Substitution means selfishness on the part of the dealer who is looking for the greater profit on an inferior article.

"Our daughter who was attending college became very nervous and we were advised to try Dr. Pierce's Favorite Prescription," writes Mrs. M. C. Fox, of 25 E. Leonard St., Grand Rapids, Mich. "We did so and then you advised us to get the 'Golden Medical Discovery' also. She took four bottles of the 'Prescription' and three of the 'Golden Medical Discovery,' and you never saw such a change in a person. She said she did not feel like the same person. She was about seventeen years old at the time. I will gladly recommend Dr. Pierce's medicines to every one. I advise parents who have young daughters who suffer from nervous troubles to try Dr. Pierce's Favorite Prescription at once. I am sure it will help them."

\$50,000 GIVEN AWAY. In copies of The People's Common Sense Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at \$1.50 per copy. Last year we gave away \$50,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you share in this benefit? If so, send only 21 cent stamps to order your copy of mailing only for book in still paper covers, or 31 cent stamps for cloth-bound. Address: Dr. J. C. Pierce, Buffalo, N. Y.

NIP IT IN THE BUD.

First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case, has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowed-out cuticle of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newbro's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Mr. Bryan's Position.

"I want to make my position perfectly clear: I want to say to you that not only am I not announcing a candidacy, but I am not permitting a candidacy."

In these words William Jennings Bryan administered a check to the enthusiasm which, at the Jefferson Club banquet in Chicago given last night in Mr. Bryan's honor, greeted the speeches advocating his nomination for the third time for President.

There had been warm words of praise for Mr. Bryan, particularly from former Congressman Ollie M. James, of Kentucky, and Judge James B. Tarvin, of Covington, Kentucky, who had declared unequivocally for Mr. Bryan as the democratic nominee for President in 1908, and from Alexander Throup, of New Haven, Conn., who declared that Bryan was the natural and legitimate leader of the democratic party in the coming campaign.

When Mr. Bryan, who came last on the program, rose to respond to the toast, "Democracy vs. Centralization," he deferred for a few moments entering upon his formal address until he had returned thanks for the words of praise showered upon him by the speakers who preceded him, and until he had set himself right upon the question of possible candidacy for the presidency.

"I am not now," said Mr. Bryan, "a candidate for any office. I have never said that I would never again be a candidate for office, but I want to say now that talk of candidacy for office does not affect me as it once did."

Mr. Bryan will soon leave for a tour of the world.

Mansfield Under the Knife.

Mr. Richard Mansfield's many friends will be surprised to learn that the well-known actor is just recovering from the effects of two delicate and serious surgical operations.

The first, which was performed three weeks ago by Dr. Norris, of New London, Conn., and two prominent surgeons of New York, it is stated, failed to fully relieve Mr. Mansfield, and another was decided on last Wednesday when the actor underwent a trying ordeal at the hands of the surgeons who were called to his New London home to operate the second time.

For several years Mr. Mansfield has been a sufferer from nervousness brought on by a grave intestinal disorder that grew steadily worse. Mr. Mansfield underwent both operations with great fortitude. The latter was entirely successful and at his home in New London Monday it was said the star felt better than he had in years. His condition was so greatly improved, it was announced, that he would go to New York next Monday and begin rehearsals on the stage of the New Amsterdam Theatre of Schiller's "Don Carlos," which he will present for the first time in English on any stage, in the Grand Opera House, Chicago, October 16.

A World-Wide Federation.

A world-wide federation of Catholic societies is the hope of the future for the American Federation of Catholic Societies.

After six hours' discussion the national board of the American Federation of Catholic Societies in Cincinnati, yesterday adopted a plan for including in the work of the American society the volksverein idea, which is favored by Pope Pius X in a recent letter. The immediate result will be the presentation of this plan to the next national meeting of the societies, and, if it is adopted, every Catholic in the United States can become a member of the American Federation of Catholic Societies.

The Catholics by the plan mapped out may belong to the American federation by societies, parishes or as individuals. The American federation will include in its work the volksverein idea, which involves the education of Catholic people by a campaign of literature. The American Federation of Catholic Societies is now in communication with similar federations in Italy, Germany, France and other foreign countries, and a world federation of Catholic societies may be a possibility of the future.

Found Pot of Gold.

An iron pot containing \$50,000 in gold coin, the newest of which was 115 years, old was found on the farm of James Rivers, near Chesterfield, S. C., by Tyler Teal, a white laborer, and Will Edward, a negro, while engaged recently in digging a ditch. The pot was carried two miles away and buried near a creek bank. When, two days later, the finders went after the pot, it had mysteriously disappeared. The negro charges that the white man has appropriated the money and has hidden it from him, while Teal declares that the story is all a joke and that no pot was unearthed. Edwards sticks to his story and has produced proofs that it is true. Detective J. D. Evans, who has associated with him one of the best-known detectives in the South, who were employed by the negro, and who have since been working on the case, have secured evidence confirming the discovery of the hidden wealth. No trace of the gold has been found.

Conviction Follows Trial

When buying loose coffee or anything your grocer happens to have in his bin, how do you know what you are getting? Some queer stories about coffee that is sold in bulk, could be told, if the people who handle it (grocers), cared to speak out.

Could any amount of mere talk have persuaded millions of housekeepers to use

Lion Coffee,

the leader of all package coffees for over a quarter of a century, if they had not found it superior to all other brands in Purity, Strength, Flavor and Uniformity?

This popular success of LION COFFEE can be due only to inherent merit. There is no stronger proof of merit than continued and increasing popularity.

If the verdict of MILLIONS OF HOUSEKEEPERS does not convince you of the merits of LION COFFEE, it costs you but a trifle to buy a package. It is the easiest way to convince yourself, and to make you a PERMANENT PURCHASER.

LION COFFEE is sold only in 1 lb. sealed packages, and reaches you as pure and clean as when it left our factory.

Look-head on every package.

Priests Threatened.

Serious developments have arisen in connection with the death of Gen. Prince Amilakhovri, formerly governor general of Baku, whose body is now lying in a house in the vicinity of Tiflis. The prince was regarded with bitter hatred owing to the harsh measures which he adopted when he was sent on a special mission to pacify the Caucasus, and the revolutionaries threaten the local priests with death if they attempt to offer prayers over the body. No one dare approach the house. Troops have been dispatched to bring the remains to Tiflis, and it is feared that there will be disorders at the funeral.

Numerous and Worthless.

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles, for blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to many worthless counterfeits. Ask for DeWitt's—the genuine. Sold by W. F. Creighton & Co., 401 King Street.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son, "My boy," he says, "I was a fearful case over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at E. S. Leadbeater and Sons, drug store.
